

"I See What You Mean!" An Assistive Technologies & Visual Strategies Open House

Saturday, March 31, 2007 • 10am-2pm
Westside Conference Center at USF
13301 Bruce B. Downs Blvd. Tampa, FL 33612

Ever wonder about choice boards, schedules or stories and how to effectively use them? Let our experts demonstrate and then you can make and take one home to start using right away!

Join Us for Displays and Demonstrations By:

CARD-USF; DARES, Early Intervention Positive Behavior Support; USF Rehabilitation Engineering & Technology Program; USF Department of Communication Sciences and Disorders; USF Service Learning Leadership Academy; Florida Alliance for Assistive Services and Technology (FAAST); Infants and Young Children of West Central Florida; FDLRS; Discovery Toys; Florida Learning Curve, Inc.

Learn about:

Boardmaker®, Picture This®, Word® and other visual tools, Creating Teaching Tools for Young Children with Challenging Behaviors (TTYC), New and future technologies to support individuals with autism and related disabilities, PECS®, Social Stories®, calendars, schedules and other visual strategies!

Limited supplies so please plan to arrive early or RSVP and let us know you are attending!

Contact: Jean Caldicott at 813-974-6439 or email jcaldicott@fmhi.usf.edu

FREE! FREE! FREE! FREE!
